

Hello Everyone!

Just a quick update to you on our mailing list - don't have time today to put together the normal newsletter...

Barbie & I did our last summer gig in Myrtle Beach last night. We had so many amazing responses to both our band, 2ndWind, and our acoustic Wind duo as we played 2 - 3 times a week (mostly outdoors) to hundreds, perhaps thousands of tourists from all over the world. It was lots of fun and a financial blessing as well. We'll be doing a few acoustic Wind shows in the Myrtle Beach area in the fall, and hopefully pick back up with the band asap.

We have lots going on from September - November involving Ministry, Missions & Music!

Today we are packing & loading the van, leaving this evening for Colorado where we have five engagements next week (see itinerary below).

In October we are scheduled to lead "harp & bowl" style worship as part of a conference in Northfield, Massachusetts, on the campus of DL Moody's Bible College (<https://www.nmhschool.org/about-nmh-dl-moody>), where among others, Heidi Baker will be speaking. This developed (finding out about the conference) after we sensed a leading from the Lord to go there to the campus and prayer walk!

In November we plan to go to England, Scotland & Italy, also primarily a prayer walk mission trip (England & Scotland), but we have also been invited to Italy to minister with some good missionary friends in Padova (https://www.facebook.com/groups/1089979037705119/?ref=br_rs) who are working with a Calvary Chapel church there. We plan to do worship there as well as an outreach concert. We are presently around 50% of our fund raising goal for this trip and we have our tickets!

All of the above trips are pretty much faith ventures for us as we try to be obedient, "for we walk by faith, not by sight." (II Cor. 5:7) At present, we need an estimated \$5000 to cover the needs of the next three months.

If you would like to give toward our ministry, please go to www.windmusic.us and click on the "Donate" button at the bottom of the page. All major cards accepted.

We also need continued prayer cover! There are some precious brothers and sisters who have let us know that they pray for us regularly, and it means the world to us. Spiritual warfare is a real thing, and prayer is a real weapon!

Our Colorado itinerary is as follows:

Sunday, September 3 - The Wellspring Vineyard, Florence CO (worship for 3 services)

Monday, September 4 - Labor Day BBQ & House Concert at the home of Meryl & Cynthia Dohrmann, Colorado Springs, CO (email Meryl at mdohrmann5253@msn.com for more info - all invited)

Thursday, September 7 - The Vineyard, Palisade (Grand Junction), CO (outdoor concert)

Friday, September 8 - Vineyard of Fremont County, Canon City, CO (concert)

Saturday, September 9 - Royal Gorge Vineyard, Canon City, CO (street concert)

Please contact us for more info, and go to our itinerary for our complete schedule (www.windmusic.us/itinerary.html)

God bless,
Nori (& Barbie)
