MUSIC...

NEW ALBUM! We've been working very hard on our new album, and we're now looking at a late spring/early summer release date. We're really excited about the songs, as well as our special musical guests! The music will follow our tradition of blending progressive rock, classic rock & folk styles, making what will hopefully be a satisfying musical potpourri... We're very blessed by and appreciative of those who continue to download and stream our music from all around the globe, from our earliest records to the latest!

WIND on the ROAD We have plans to hit the road several times this year, beginning with a weekend back in our previous stomping grounds, Myrtle Beach, SC, in May. We plan to follow up with a weekend in Massachusetts in June, a tour westward in late-July & August, back to the south in September, followed by a "missions tour" in England & Scotland in late-October & November (see below).

LIFE and MINISTRY We're loving it here in Lancaster county, PA! We continue to serve by leading worship on Sundays at Living Stones Vineyard and pastoring a small group twice a month. We also serve on the church leadership team, with Nori serving as an elder as well. We also continue to drive Amish and do recording session work for a part-time income, and we receive monthly financial gifts as well from some who support our ministry.

...AND MISSIONS!

ENGLAND & SCOTLAND! It's been three loong years since we've taken a mission trip! With Japan remaining closed to tourists (which includes short-term missionaries) and the UK recently reopening its doors, we are sensing the Lord's leading to go. Presently, our trip is planned for October 26 - November 9, and as always, we will be raising financial support. We need to raise a total of **\$6000** for the two of us. If you would like to contribute, see the donations info to the right. Thank you so much for being a part!

1. God's anointing on our new album
2. Upcoming mission trip to the UK

BLOOM WHERE YOU'RE PLANTED

We've been "planted" (or sent) to several different locations on this planet. There is always a time of adjusting, which can be challenging. But falling in love with the people where the Lord has moved us to work with is always easy! This spring, as I look around this beautiful country area, I'm seeing tons of new life- flowers, blossoms on the trees, and baby animals. We are all stepping out this spring into a new world, kind of like babies. I pray God's peace and leading on you as you bloom where He plants you.
